

# AWU UPDATE REGIS AGED CARE

10<sup>th</sup> February 2020

## AWU SECURED REGIS BACKPAY

In a huge win for AWU members, the AWU has secured thousands of dollars in backpay for workers right across Regis.

**Until now, Regis has been refusing to properly compensate employees for public holidays and pay former Masonic Care employees the pay rise they're entitled to.**

**Thanks to the advocacy of the AWU, Regis has commenced back paying the full amount owed to all workers affected.**

The AWU first raised these issues with Regis in 2017 – and after years of refusing to admit that they'd done the wrong thing, Regis has finally caved in and agreed to pay their workers what they're owed.

**This win was only possible because AWU members were willing to stand up and demand they get paid what they are owed.**

**If you've got backpay – thank an AWU member today.**

If you think you're entitled to backpay, make sure you speak to an AWU organiser as soon as possible.

### WHAT CAN I DO?

Speak to a non-member about joining your Union today. We're stronger when we stand together.

It's up to people like yourself to spread the word and make sure that when the time comes, we're in the strongest position possible to secure a deal that gives workers a decent wage and fair conditions.

There has never been a more important time to be a member of the AWU.

Together we can fight for a better deal - so encourage a workmate to join the AWU today.
