

INFORMATION SESSION

for affected Lactalis (Parmalat) milk processing factory workers

This is an opportunity to get information about training opportunities and the Worker Transition Scheme which provides support for job seekers, training and career information, help with debt and bills, and access to mental health and financial assistance services.

The following agencies and organisations will be in attendance to provide information about training opportunities:

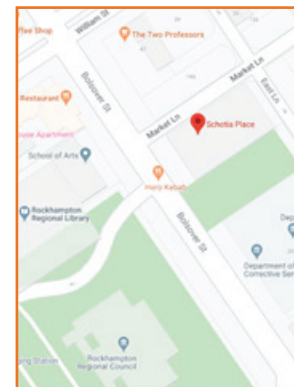

- The Department of Employment, Small Business and Training
- TAFE Queensland
- Rockhampton Regional Council
- Ergon Energy Retail
- Australian Government Department of Education, Skills and Employment

Event details
